

SAPPHIRE SERIES

The Sapphire Series exudes modern simplicity in pool design. Introducing the Sapphire Series – a stunning new release in our fibreglass pool collection that embodies the essence of modern elegance and functionality.

With its sleek rectangular design and gracefully rounded corners, the Sapphire Series captures the sophisticated look of traditional concrete pools while offering the unique benefits of fibreglass. The standout feature of this range is its expansive entry steps that span the entire width of the pool, seamlessly blending style with practicality. The additional step doubles as a comfortable seating area, complete with the option for invigorating spa jets, ensuring a touch of luxury and relaxation.
